MC	4	1	3	3	2.5	4	4	7	2	0	3	4	3.5	3.5	3	2	3.5	7	56

For successful completion of the test at least **55 points** are needed.

The retake of the final test takes place on **Thursday, January 10, 2019 (15:40, K1)**

Model solutions to the test tasks will be demonstrated at the exercise session on **Thursday, January 3, 2019.**
