

Job Title: Actuarial Analyst

Guy Carpenter & Company, LLC world's leading risk and reinsurance specialist provides reinsurance solutions for clients across the globe through more than 2,600 professionals in offices located around the world. We design innovative programs that create capital value for our clients and help them manage risk exposures so they can achieve their long-term financial goals.

Role Description

Provision of technical and analytical support to Guy Carpenter Analytics (GCA) members and brokers located across Europe. The main focus will be on the development of actuarial applications and tools.

Secondarily, the focus will be on assistance to GCA senior staff supporting brokers to produce and maintain reinsurance programmes for existing and prospective clients.

Key Responsibilities

- Support GCA senior staff by providing detailed actuarial analysis
- Present and discuss findings of GCA analysis to other GCA members as well as brokers
- Develop and maintain internal actuarial applications, identify potential for improvement of the existing applications
- Analyse actuarial data needs and translate them into databases
- Data management, data handling and data analysis
- Establish relationships within GC company and with industry peers
- Adhere to GCA quality assurance procedures and professional standards

Other Duties

- Continue to develop knowledge of GCA relevant disciplines
- Participation in R&D efforts

Knowledge, skills and experience

Essential:

- Degree in actuarial science, computer science, mathematics, statistics, engineering, or other relevant discipline
- Statistical / computing software, e.g. R
- English language
- Analytical and problem solving skills
- Advanced PC literacy
- Good communications skills
- Good interpersonal skills

Desirable:

- Relevant experience gained in the field of Actuarial/General (Re)Insurance/Statistics/Computer Science
- Knowledge of non-life actuarial techniques
- Knowledge of database design
- SQL

- Programming skills, e.g. VBA

Personal attributes

- Thorough, organised, professional, confident

What we offer

- Competitive salary and attractive benefits package
- Ongoing international training programme
- Interesting and dynamic role in the global reinsurance industry
- Offices located in Prague
